Address

Dear \_\_\_\_\_ :

March is National Youth Art Month! As part of our celebration, we would like to present you with an outstanding example of student artwork suitable for display in your office or at home.

As art teachers, we know that art enlists the imagination of our students. It compels them to think, become more aware and judge things from their own experiences. We value the opportunity to teach young people and feel that every child must have a chance to learn art concepts and skills. We hope that you agree.

Please accept this student artwork and join in our celebration of National Youth Art Month. We value your support and encourage you to contact the student who made this gift possible. Thank you.

Sincerely,

Enclosure
